

# CHALLENGER SL

## SLIDE-IN SERVICE BODY

### SLIDE-IN SERVICE BODY

The CHALLENGER SL Service Body provides an ideal tool and equipment organizational solution for pickup truck applications. Its sleek design and full-height compartment doors enhance company image while giving maximum access to all your equipment. FlexSmart™ mounting channels are incorporated into each compartment and loadspace allowing you to configure the body with optional bin, drawers, racks, trays etc. to fit your needs. Constructed of heavy gauge, powder coated Galvalume steel, CHALLENGER SL is ideal for use with 3/4-ton and 1-ton pick-up trucks!

#### FITS 3/4 & 1-TON PICK-UP TRUCKS

Ford - 2000 thru present F250 and F350 pickups  
GM - 2007 thru present CK2500 and CK3500 pickups  
Dodge - 2002 thru present Ram 2500 and Ram 3500 pickups

#### CONVENIENT AND VERSATILE

Forklift tunnels and 4 mounting jacks make installation and removal of the Slide-In quick and easy creating greater versatility for your work truck

#### CARRY MATERIAL & EQUIPMENT YOU NEED

48.5-inch width bed accommodates hauling sheet materials while the overhead ladder rack lets you get even your long equipment items to the job site

#### HIGH SECURITY / GREAT LOOKS

Concealed door hinges add increased security and provide smooth body lines

#### PLENTY OF SECURED STORAGE SPACE

Five lockable storage compartments provide 75 cu. ft. of storage space for tools and equipment

#### LONG LASTING GOOD LOOKS

Body exterior, compartment interiors and cargo area are finished in durable, corrosion-resistant white powder coat

FlexSmart Deck Slide provides easy access to cargo under the bed floor

Bolt-on brackets quickly secure Slide-In bodys

STAHLS

Covered by STAHL's  
3-Year "No Rust, No  
Bust" Warranty

4 standard mounting jacks make installation and removal quick and easy

Standard FlexSmart Overhead Ladder Rack allows you to transport even long equipment items
